CLIMB-N-CHALLENGE MOBILE 3-CLIMBER

Climb-N-Challenge™

The hybrid climbing wall / ropes course.

The Climb-N-Challenge™ takes the proven format of the mobile climbing wall and raises the level of adventure by adding ropes course elements. Climbers must navigate up-and-over 3 levels, each increasingly more difficult than the previous. The Tremor Ladder, Cargo Net, Tire Climb, and Rope Climb can be configured to suit the operator's preferences to create a fun attraction for all ages.
